

Community Wellbeing Program

Mandatory Bidders' Conference

Tri-City Mental Health will be offering Community Wellbeing Grants (up to \$10,000 per community) for the 2013-2014 grant year. Communities in Claremont, La Verne, and Pomona interested in applying for these grants are invited to attend this information meeting. Communities will gain information about the grant criteria and learn more about this exciting program. Bring your project ideas and application questions to be answered during the workshop session. This bidders conference is mandatory for all those who wish to apply.
