

Help shape mental health services in our region!

For Youth and Young adults age 25 and under in Pomona, Claremont and La Verne and everyone who supports their well-being!

We encourage you to participate in an important conversation and help shape the future of mental health services in our community. You can help design a more effective approach to youth-focused crisis intervention and mental health services that reflect the distinct cultural features and realities of our communities. The following is the schedule of stakeholder sessions, along with registration links. *Please choose one session.*
