

Your Privacy Matters to Us

Below outlines the personal information we collect through the referral process, why we collect it and your Privacy Rights.

What kind of information do we collect?

We may collect some or all of the following information about you: your name, address, birth date, some financial information and information about your health. We may also ask you for your medical history, medications you may be taking and any health problems you may have, for the purpose of providing quality health care services.

What do we do with this information?

We use information about you to determine if you are eligible to participate in this program. It may also help us in making an appropriate referral and assist us in your treatment. Safeguarding your health information is important to us.

Who else can see your information?

We may disclose information about you only as permitted by law.

If you have questions or concerns about your privacy rights, please contact:
