

About the Wellness Center

The Tri-City Mental Health Wellness Center was created through funding from the Mental Health Services Act. The Wellness Center is a hub of community activities that promote recovery, resiliency, and wellness for people confronting mental health issues. Staff located at this site, including peer advocates, family members, clinical staff, and others, provide a range of culturally sensitive, person – and family-centered groups, workshops and socialization activities designed to promote increasing independence and wellness for people of all ages.

If you would like more information about our groups, please stop by or contact us to get a copy of the group descriptions in English or Spanish.
