

**Early Psychosis**

**Identification and**

**Intervention Program**

By recognizing the early signs of psychosis,  
you can change someone's life.

**WEDNESDAY,  
JANUARY 27  
6:00 PM**

Come and learn what Tri-City is doing  
to intervene early to improve  
outcomes for youth with psychosis,  
and how you can provide support.

**REGISTER TODAY**
