INNOVATION

ORIENTATION STAKEHOLDER PRESENTATION

Are you a community member or organization in Pomona, Claremont or La Verne?

We invite you to join us for an introduction to our Innovation (INN) program. Through the Mental Health Services Act (MHSA), Tri-City Mental Health has the opportunity to "try out" new and innovative approaches that can inform current and future mental health practices.

Learn about the requirements and community planning process involved in designing, launching and evaluating new INN projects, and sign-up to join upcoming workgroups to determine new Innovation ideas!

Share your ideas in our Innovation Idea Survey to improve mental health in your community
